Law, morality week

Mayor George Gibson has proclaimed Aug. 11-18 as Law and Morality Week and has commended an education foundation, Christians and Jews for Law and Morality, for its efforts here to "promote ethical and moral values, to uphold the sanctity of family life and public law in order to foster mutual understanding and respect between the citizenry and the law enforcement agencies of our nation."

Teen center

Norman and Robert Ansara, have opened a coffee shop at the corner of San Antonio Avenue and Foothill Boulevard. They have taken over the restaurant that was formerly the Olive Tree and named it the Sugar Palace. Besides the coffee shop, the men will use the banquet rooms for a drop-in teen center. The center will be open before and after school and on weekends. Plans call for soft drinks and snacks to be sold and coin operated pool tables and jukeboxes. On weekends, live combos will play for dancing. A public hearing on the live entertainment license will be heard in the council chambers, 177 E. D St., at 7 p.m., on Monday, Aug. 17.

No rise in taxes

The City Council has fixed the city's 1970-71 property tax rate at \$1.80 per \$100 assessed valuation, same as last year. The distribution figures 93 cents for the general fund; 36 cents for parks and recreation; 30 cents for library; one-third cent for capital outlay; 21 cents for retirement fund and will provide an estimated \$533,472 for general fund, \$206,723 for parks and recreation; \$172,800 for library; \$1,975 for capital outlay and \$121,030 for employees' retirement, a total of \$1,036,000.

Own an ex-police car

If you'd like something different in a car, why not put your bid in on a surplus police car. The city is planning to sell them via bids. Bid blanks may be had by contacting the purchase office, 123 E. D St. or by calling 982-1352 between 8 a.m. and 5 p.m., Monday through Friday. Bids will be opened publicly at 2 p.m. Aug. 11, in the council chambers, city hall, 177 E. D St. If you have a low bid, you may be the first in your neighborhood to have a black and white ex-police car.

Lions BBQ

The Upland Breakfast Lions Club will begin an annual chicken BBQ dinner on Aug. 30. The idea came after much discussion about fund raising events. The group liked the idea of a picnic type event that the families of the community could enjoy, and so the date has been set. The menu will include BBQ chicken, corn, rolls, potato salad and ice cream, plus coffee and orange juice, and will be served from 4 to 7 p.m. in Memorial Park. Donations are \$2 for adults and \$1 for children. Get your tickets from any Upland Breakfast Lion member and enjoy your dinner and help the community. Roger Olson and Ken Hinrichsen are chairmen of the committee.

Upland soldier buried Monday

Army Spec. 4 Richard Henry Vokes was buried Monday with full military honors. Military personnel who participated in the service were from Fort Irwin.

The 22-year-old son of Mr. and Mrs. John Vokes, 1448 Grove Ave., Upland, died July 25 in a Saigon Field Hospital.

A Mass was celebrated at 10 a.m. at St. Mark's Episcopal Church with Rev. Frederick A. Fenton officiating at the church service. His body was entombed at Bellevue Mausoleum.

A native of Philadelphia, Vokes was a graduate of Glendora High School and had resided in the West End area six years.

Besides his parents, he is survived by a sister, Mrs. Mildred E. Fortune, Upland; two brothers, John J. Vokes Jr. of Jamestown and Henry H. Vokes of Glendora, and a grandfather, Henry John Vokes of Philadelphia.

Stone Funeral Home was in charge of arrangements.

Shot in his barracks July 5 by an unknown assailant, his father had made a vain attempt to save the wounded young man but the army would not send him into a war zone. He was attempting a commercial flight when news came of the death.

Graveside services held

Military graveside services were held Saturday at Rose Hills Memorial Park, Whittier, for Walter Roberts, 46, of 917 W. 25th Street.

Mr. Roberts, a cargo navigator for Flying Tiger Lines for four years, was killed in the crash that took lives of the four man crew as the plane crashed on its approach to Naha airport in Okinawa.

Roberts is survived by his widow, Carolyn, two daughters, Tracy, 11, Gail 8, and a son, Mathew, 6, all at home, and his mother, Mrs. Edward Zeitler, of Irvington, N. J.

Born in Newark, N. J., Roberts served in the U. S. Air Force 23 years as a navigator in the Strategic Air Command. He saw action during World War II in Europe and Korea. His last Air Force assignment was at Topeka, Kan., where he retired with the rank of lieutenant colonel.

Lions' annual Fish Fry

One will be queen

Getting ready for the Host Lions Club annual Fish Fry to be held Friday, Aug. 7, are queen candidates Judy Bald, Carol De Carli, Mary Reardon and Jill Colgan. The queen will be selected on the basis of the team selling the most tickets. The Fish Fry will be held at Memorial Park, from 4 to 8

p.m. The public is invited to attend and may get tickets from any Host Lions Club member or at the Upland Chamber of Commerce, 866 W. Foothill Blvd., or at the park the night of the event. Proceeds go to further community activities of the club.

School unification under consideration

A tentative proposal which would divide the Chaffey Union High School District into two unified districts, placing Ontario and Montclair in one and Upland in the other, was outlined Monday night at a meeting of the San Bernardino County Committee on School District Organization.

The tentative dividing line generally would run east and west along Eighth Street.

The proposal was presented by Dr. Fred W. Bewley, an authority on school district organization who was hired by the district to make a unification study.

It was stressed that the presentation at this point was tentative and for discussion purposes. No action was taken, but the proposal will be considered again at a meeting of the county committee in September.

Bewley said he had considered the possibility of forming three unified districts instead of two. A unified district includes kindergarten through the 12th grade.

He said, however, it would be impossible to form three districts which would comply with criteria set forth in Education Code Section 3100.

This section specifies that a new unified district should have a projected average daily attendance (ADA) of at least 10,000 at the beginning of the seventh fiscal year following the unification date.

The section as it applies here further requires that each proposed district would have an assessed valuation per ADA which varies not more than 10 per cent from the average of the entire Chaffey Union High School District.

To meet these criteria, Bewley indicated it would be necessary to divide the Cucamonga School District, placing half in each new district.

Date supplied by the Cucamonga District, Bewley said, shows that only 90 of the district's 677 students live south of Eighth Street so student displacement would be minimal.

Under the proposal, school districts joining Upland to form the north district would be Alta Loma, Central, Etiwanda and part of Cucamonga.

The south section would consist of Ontario-Montclair, Guasti, Mountain View and part of Cucamonga.

Tentatively, the Southern California Generating Plant situated in the Etiwanda School District would be placed in the north district.

Under this arrangement, the north district would have a considerably greater amount of assessed value per student than the south.

The assessed valuation per ADA in the north would be \$9,265 per student, of 14.5 per cent higher than the current \$8,089 on the Chaffey Union High School District.

At the same time, the south district would have an assessed valuation of \$7,416 per ADA, or 8.3 per cent lower than the existing Chaffey District figure.

Bewley noted that while the north's 14.5 per cent figure is higher than the 10 per cent variation permitted by Section 3100, the section recently was relaxed to require only "substantial" compliance.

He said a strong case can be made for "substantial compliance" in this case because the probable future development of the south section will be industrial and development in the north will be residential. This would raise the south's assessed valuation and lower the north's. Bewley estimated that the two proposed unified districts would have similar assessed valuation per ADA "in eight to 10 years" under the proposed division.

Under state financing laws, the state pays each unified school district an additional \$20 per ADA in foundation support. Non-unified districts do not get this allocation.

Paul Makabe, a member of the board of trustees of the Cucamonga School District, contended there should be three unified districts so that schools in the eastern area of the district are not "condemned" to join one of the two proposed districts.

At the outset of his report, Bewley outlined eight "points of view" formed as a result of his study. They are:

One unified district is not an acceptable proposal. Opinions vary from considering it a political impossibility to outright and positive opposition. Such a district is generally considered too large to be an effective administrative unit.

The people in the Ontario and Upland Districts hold such strong feelings of identity with their respective communities that their separate existence in school districts is mandatory.

The Alta Loma District will welcome unification as a step towards greater financial security.

The Central and Mt. Baldy districts prefer to maintain their present status but recognize that unification is probably inevitable.

The Etiwanda, Guasti and Mountain View districts strongly oppose any kind of unification on the grounds that the dissipation of their wealth will terminate the innovative programs they have operating.

Both the Ontario and Upland districts favor unification if the proposal is for two or more unified districts which leave them separated.

The northerly part of the area will develop residentially and the southern part will become increasingly industrial.

The Cucamonga District opposes any plans that divide it between two unified districts.

Volunteer firemen

Discussing the old fire equipment at Upland Fire Station are members of the Upland volunteer firemen. They were taking a break from a training session held at the fire station. Shown are Bob Corsiglia, Ron Schwartz, Ted Atwood, Greg Campbell and Jerry King. The group meets three times a month and acts as a backup crew for the regular firemen.

Mediocrity marks Sweden

By Donald W. Reynolds
Publisher
Bonita Publishing Co.

STOCKHOLM, Sweden -- "Mediocrity" is undoubtedly the best one word sum up for Sweden. Their well publicized "middle way" has produced nothing truly bad but unfortunately perhaps nothing superior either. An old age pension system provided every citizen at 67 with a retirement income equal to 60 per cent of his earnings during his 15 most gainful years. To support this and other programs, income taxes reach the murderous fifty per cent take on a salary of \$10,000 annually and goes up from there. Prices are by far the highest in Scandinavia.

To counter the welfare state deficit an eleven per cent national consumers' tax has been slapped on everything. Dinner costs from \$10 to \$12 and a skimpy hamburger sells for a buck. And there is still an additional twenty per cent luxury tax on gold or silver articles, chocolate, carpets, liquor or furs, as well as a host of other things.

No country in Europe is better situated for tourists but the Swedes shrug their shoulders and continue to plod rather than jump, walk rather than run, although tourism is their third greatest income producer following timber and iron ore. Perhaps the best example of this is their promotion of their inland waterway connecting the two largest cities of Gothenberg and Stockholm.

This uniting of the North and Baltic Seas was built between 1810 and 1832. It took eighty million man hours of work and even in those days with labor provided by Swedish infantrymen and their officers, cost five times the original estimates of two million dollars, almost bankrupting the country in the process.

Today, it is a three day and two night trip to cover the 357 miles between the two cities. I left at 9 a.m. on a Sunday morning aboard the Wilhelm Tham, one of the last actual steam boats still in service. It was built in 1912 by two operators of the canal in their boat works in Motala.

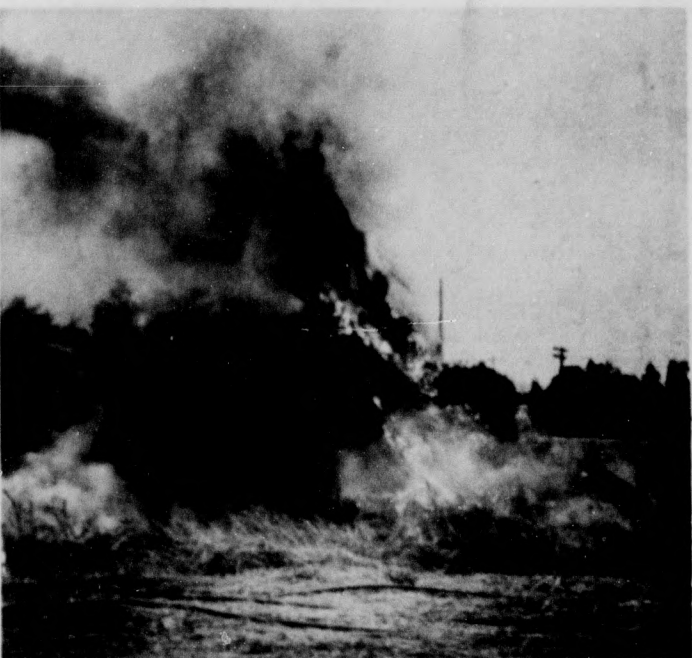

My state room measured six by nine feet. There were two toilets on the deck and no bathing facility on the entire ship. And it's astounding how many other improvements have been made in boat building during the last fifty-eight years.

There were two table settings to accommodate the eighty passengers with two overworked waitresses serving the entire group. In addition to the \$155 for the trip, a cup of coffee was \$1, a glass of milk seventy-five cents and warm beer \$1.25 per bottle. No ice or refrigeration was available. And the three boats of equal size and

age are sold out for the season with less than thirty per cent of the passengers being foreign tourist suckers. The balance made of Swedes who should know better after more than a hundred years of travel on this over-sized ditch!

Despite the lack of amenities, the trip was interesting as it proceeded through the sixty five locks that lifted the ship from sea level more than 300 feet up to the level of Lake Vattern and back down to the Baltic Sea level of Stockholm, where we were three hours late in docking for some unexplained reason.

I've no answers to why the American tourist will put up with the unbelievable overcharging, the lack of accommodations and the surly service but all hotels are booked to capacity, the airlines are doing a land office business and every cruise ship to the North Cape is packed. I suppose we just like to suffer.

Plenty hot

A brush fire was quickly extinguished at Bonita and Walnut Avenues, San Dimas on July 25 by Los Angeles County Fire Department. Scene above shows how quickly the dry brush ignited.

Dear Editor:

Since I wrote critically of Mr. Reynolds' praise of Spain, I must now write and commend him for his firm opposite stand concerning Sweden.

Though we may find faults with our country let's be firm in our loyalty to her.

What's Doing In Upland?

by Jenny Kirkpatrick

A LOT OF POPCORN

Did you ever wonder how much popcorn was consumed at a movie theatre like the Grove on Ninth Street? Well, we asked them to compile a list of what and how much was eaten there. For just a half of the summer, Joe O'Halloran reports that 1,032 gals of popcorn has been eaten along with 572 gals of soft drinks; 11,055 ice cream bars; 23,817 candy bars; All this adds up to 500 barrels of trash. The Grove has again cooperated with the PTA in having daily shows for children during the summer and on Saturday during the winter. We say hats off to Grove Theatre for having good family entertainment at sensible prices. They are in the process of adding air conditioning and other improvements.

HATS OFF

Hats off to Bob Fritz, with 25 years of service to Lions. He is a member of the Upland Breakfast Lions Club also to Max Hawkins, 13, Rob Anerson, 10 and Tom Maxfield for 11 years of service to Kiwanis. They are members of the Upland Kiwanis Club.

GET A BOOK

The Friends of the Library still have their book sale going on. They have netted \$1,000 so far. If you want to find some inexpensive reading, go to the sale. It is perpetually being held on the lower level of the library, Euclid Ave. and D St. A pesky salesman will not bother you, so you can browse to your heart's content. Give them a lift.

MY LAST COLUMN

This is my last column of What's Doing? As you know I have been promoted to editor of all the newspapers and will work in the Montclair office. However, I will still live in Upland. It is with great mixed emotion that I leave this beat. Days come and go and one year melts into another and then comes a day when one finds what one has taken for granted is suddenly over.

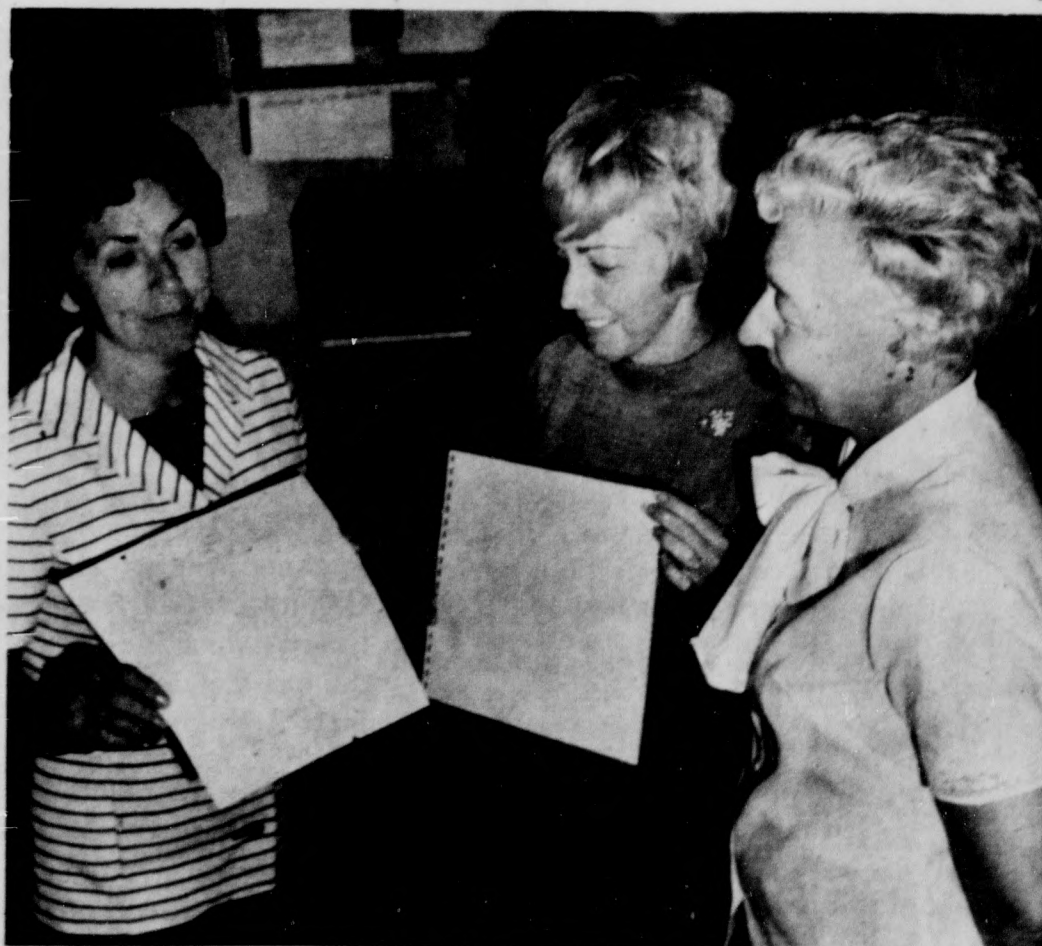

When I came here two years ago there were a lot of changes planned for the Upland Newspaper and office and it became my task to do it. Many thought we would not make it as a newspaper or in the town, we did.

So many memories have gone into putting out this newspaper that it is hard at this time to sort them out and recall them. I suppose what I remember the most is the absolute confidence and friendliness that people have shown me. This attitude reaches across the broad spectrum of the community from the very youngest to the very oldest person. One can not be an editor or reporter in a community and do a good job without this kind of cooperation.

Other memories tumble out in a kaleidoscope and myriads of delight that will remain with me forever. The few that come to mind now are the Kiosk and the concerts, flying to Caborca, the FBI filming, Service Club meetings, the chamber fireballers and the noon siren. Christmas and Santa and the Halloween parade, the flood, the new library and taking pictures around town. Coffee at Mr. G's, the sometimes heat the mountains and the people. I have seen apathy turn into concern and evolve into action and I hope this attitude will remain.

It has been fun sharing our lives and I hope you have enjoyed it as much as I have. A doff of the hat to all of you and may God Bless each of you.

Jenny Kirkpatrick.

Navy Petty Officer Third Class Thomas L. Bergstron, son of Mr. John A. Bergstron of Upland, is serving aboard the fast landing dock ship USS Fort Snelling.

His ship was enroute to Santa Maria in the Azores when detoured to serve with the Amphibious Squadron Two in the Mediterranean.

His ship will return to Norfolk in August.

Dennis Muller

Navy Fireman Dennis C. Muller, son of Mr. and Mrs. Joseph Muller of Upland has reported aboard the attack aircraft carrier USS Kitty Hawk at its homeport of San Diego.

Having just completed a nine-month overhaul at Bremerton, Wash., the ship is conducting a series of tests and sea trials prior to its seventh deployment to Vietnam later this year.

Ferris Wheel books

Upland Library Children's Room has a new arrival, a book ferris wheel. It's located everywhere because it is portable. "Kids love it," says Mrs. Phyllis Frost, children's librarian. "We have a hard time keeping it filled and it contains 200 books," she added. Enjoying the wheel are Craig Priest, 11; Todd Hutton, 7; and Mary Jane Long, 6. All of them agreed, "It's swell."

Award winners

Admiring their trophies are Cucamonga Girls Club members, Janet Alba, Melodie Wamsley and Jennie Alba. The twins won the Assistees award and Melodie, the Assistance award. The girls club is sponsored by the Assistance League of Upland. The awards were given for outstanding achievement and are named the Ruth Hinman awards in memory of a past League member who was active in the Girls Club. Another winner was Ronnie Marie Wolfe. The girls graduated from Los Amigos Junior High School, Cucamonga, in June.

Art demonstration

Admiring the Upland Parks and Recreation sponsored art show at the library are Roslynn Tocco and Jill Scruggs. The art they are admiring was made by Los Olivos children in a recreation-sponsored summer program. More than 8,000 youngsters participated in Upland's summer recreation program this year.

David Connell

Army Lieutenant Colonel David R. Correll, son of Mrs. Althea Correll, Upland recently completed an eight-week study of the Vietnamese Language, at the Defense Language Institute Support Command at Biggs Field, Ft. Bliss, Texas.

He received instruction from native speakers of the language and was briefed on the culture, history and geography of Vietnam.

The Defense Language Institute provides training in some 65 foreign languages and English for 200,000 students annually.

The colonel's wife, Aliene, lives in Oxon Hill, Maryland.

Glen Porter

Marine Sgt. Glen E. Porter, son of Mr. and Mrs. E. R. Porter of Mt. Baldy is now serving with Marine Air Base Squadron 16 at the Marble Mountain Air Facility near Danang.

Donald Atchison

Navy Petty Officer Third Class Donald R. Atchison, son of Mr. and Mrs. W. L. Atchison and husband of the former Miss Julia Greer, all of Upland, has reported for duty with the "Hurricane Hunters" of Weather Reconnaissance Squadron Four at Naval Air Station, Jacksonville, Fla.

The squadron's task includes hurricane surveillance and year-round weather reconnaissance for the Atlantic Ocean, Caribbean Sea and the Gulf of Mexico.

Scouting around

Antonia Vignocchi

Antonia Vignocchi, daughter of Mr. and Mrs. Roger Vignocchi of 554 Aster, Upland, and a member of Troop 1080 here is one of four Girl Scouts from the Spanish Trails Council who is attending the regional PAVE-4 event for senior scouts.

Miss Vignocchi is a Junior at St. Lucy's High School in Glendora, where she has been active in the Catholic Youth Organization and a Teacher's aid in the Confraternity of Christian Doctrine.

She has been in Girl Scouting for 9 years and is serving as Assistant

Patrol Leader.

Troop 623

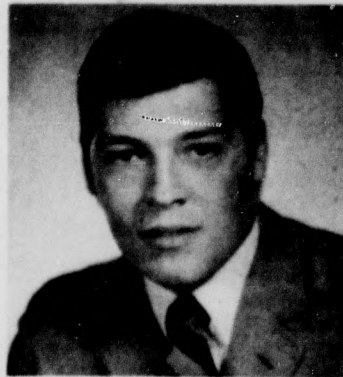

Troop 623, sponsored by the Grace Lutheran Church of Upland, under the leadership of Mr. Fred Tetzlaff, was cited for outstanding Conservation service by the Wrightwood Area Conservation Association.

The Troop repaired the Blue Ridge Nature Trail at Big Pines from the damage done by the spring rains. President, Leslie Strange, of the Association said, "It is truly a great feeling to know that we have boys who are interested in our natural resources and do something about it."

DAV auxiliary

During the regular meeting of Ontario-Upland Unit No. 27 Disabled American Veterans Auxiliary, Mrs. G. E. Whitehouse gave a report on the State Convention, held in Los Angeles recently. The local Unit was awarded three citations, at that Convention, for annual reports to the parent organization, membership and community service. These citations were presented to Mrs. Sam Gross, local Commander.

A large group attended the Annual Brunch, held at the home of Mrs. V. C. Harter, on July 23. Mrs. Thelma Fabian, a member of Alhambra Unit No. 22, was a guest.

The Annual Picnic of the Chapter and Auxiliary is scheduled for Aug. 29, 1970, 6:30 p.m., at the home of the Jay Rowberrys and Mrs. Harter, 1351 N. Winston Court, Upland. Games and prizes will follow the contributed dinner.

Several members plan on attending the National Convention at Los Angeles, from July 27 to 31, 1970. Mrs. Gross is a Delegate; Mrs. Whitehouse, Alternate.

Eighth District meeting will be held at Santa Ana on Sunday, August 2, 1970. Contributed dinner at noon.

Congratulations

Dr. James Phelps, president of West End Boys Clubs (left), presents a certificate of Appreciation from Boys Clubs of America to Ontario-Upland Optimist Club president, John Meyer. The Ontario-Upland Optimist Club whose motto is "Friend of the Boy" will make ten local boys happy by sponsoring them in summer camp within the next few weeks. The Optimist Club traditionally is responsible for many projects involving boys in the West End and invites men looking for a "boy-oriented" service club to attend their meetings on Wednesdays, noon at the American Legion Clubhouse, 310 West Emporia, Ontario.

Dear Mrs. Kirkpatrick:
On behalf of the Board of Trustees of Upland Public Library, I wish to thank you for the very fine feature you wrote in a recent issue of The Upland News about our Library's summer reading program for young people.

The article and excellent picture of "Charlotte" and her web attracted a great deal of attention in the community as evidenced by the many phone calls received at the Library as well as a considerable increase in registration by young people participating in the reading program.

(Palinurus interruptus)

He likes our nuclear power plant.

We go fishing a lot at Edison. Our favorite spot is the Pacific Ocean—just off our nuclear power plant at San Onofre.

What we're really fishing for are ecological facts.

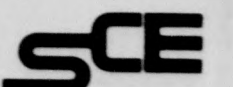

During several years of operation of the San Onofre plant, we have cooled the condensers with sea water. What has been the result of this practice? Nineteen surveys at San Onofre have revealed no adverse effects on the marine environment from the warm water released. These studies were conducted by Marine Advisers, Inc., of Solana Beach, and are on file

with the San Diego Regional Water Quality Control Board (which is under jurisdiction of the State Resources Agency).

Nuclear power plants are a dependable source of low-cost power for our customers—and a clean source of power, too. Although a nuclear power plant such as San Onofre is a source of some radioactivity—it is far below the limits allowed. Standards set by the Federal Radiation Council are rigidly enforced by the Atomic Energy

Commission. Man has learned to control radiation so well that you could live next door to a nuclear power plant such as San Onofre for 20 years before receiving as much radiation as from a single chest x-ray.

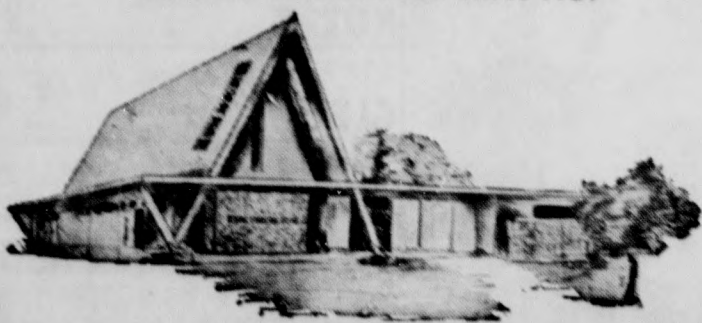

Protecting the environment—the land, the air, the sea—is of great importance to Edison. And we are confident that nuclear power plants can help us do it.

County earns more money on money

SAN BERNARDINO - The year-ending accounting for San Bernardino County showed a total of \$4,801,262 was earned during the fiscal year 1969-70, on money deposited with County Treasurer-Tax Collector, G. Leon Gregory.

This is 45 per cent more than the amount earned two years ago. The funds come from tax money, federal and state grants and other deposits which the treasurer then invests.

John Raymond, assistant treasurer, who puts any idle funds out at interest, said normal increases in the amount of money flowing into the treasury account for a part of the added return.

Christmas in July?

ONTARIO - It's July, hot, and five months before Christmas. But the Ontario branch of Santa's workshop is buzzing with activity as Santa Claus Inc., the West End's answer to gleaming eyes of needy kids, renews and rebuilds toys for tots.

Henry Lucas, president of the group, has put out a plea for repairable wagons, scooters, bikes, and the spare parts that go with them so the volunteer workers at the 1330 E. D. St. workshop will not have idle hands.

"The shop is open Tuesdays from 9 a.m. until noon, and from 9 a.m. until 4 p.m. Saturday," Lucas said. He added there is plenty of work for any who wish to volunteer during these hours, and all donations will be accepted while the shop is open.

"Santa Claus Inc. takes care of more than 3,000 needy children each year," Lucas said. "We try to give them toys and new clothes so they can enjoy Christmas in the same way that more fortunate kids do."

The corporation is also looking for children's and doll furniture and dolls and parts for the dolls.

"We are trying to reach our annual quota of 1,000 newly dressed dolls for Christmas," said Mrs. Esther Aanstad, publicity chairman.

"We can use games, books, and any other miscellaneous toys people have that they feel they can contribute," she said.

Servicemen's news
Airman Terry R. Hinz son of Mr. and Mrs. Robert C. Hinz of 9986 Vernon Ave., Montclair, has graduated at Sheppard AFB, Tex., from the U.S. Air Force aircraft loadmaster course.

The airman, who was trained to compute aircraft loads and to deliver material and supplies by parachute, is being assigned to Little Rock AFB Ark., for duty with the Tactical Air Command which provides combat units for air support of U.S. Ground forces.

Airman Hinz, a 1968 graduate of Montclair High School, attended Chaffey College, Alta Loma.

Kenneth Fisher

VIETNAM -- Army Specialist Five Kenneth H. Fisher, 21, son of Mr. and Mrs. Lou Fisher, 10-176 Fremont Ave., Montclair, Calif., recently was assigned to the Americal Division near Chu Lai, Vietnam, as a door gunner.

Spec. 5 Fisher entered the Army in December 1966 and was stationed in Germany before arriving in Vietnam for this tour of duty. He holds the Air Medal, the Bronze Star Medal and the Army Commendation Medal.

The specialist is a 1965 graduate of Pleasant Hope (Mo.) High School.

Club doings What do they do

What do Women's Clubs do in the summer? Let me count the things the Upland Woman's Club is doing this vacation (7).

1. Got the "pot perk" in June at the June coffee.

2. Collected over a ton and a half of glass containers.

3. Started our project for planting pines in the San Bernardino mountains.

4. Held executive board meetings the first Monday of each month.

5. The Card section met each third Tuesday of the month and will continue to do so.

6. The Dramasection is preparing for its production in November.

7. Cakes were baked for the cake sale and fish pond project for the Upland Fiesta Days.

8. The Program committee spent two days in Los Angeles to choose the programs to be presented next year with the whole program planned.

9. The Year Book committee is spending hours typing, setting up next year's Year Book.

10. The Press Book

chairman is starting her work, scanning all papers.

11. The Juniors are meeting and getting ready for their year.

12. Telephone callers are contacting each member to keep all informed.

13. The Round Robin is playing a summer round.

14. Plans are being made for the rummage sale September 11-12.

15. Posters are being made this summer for activities.

16. Summer work shops and conferences are attended by many members.

17. The President is making a Club widower of her husband.

And this seems just part of the list.

ITEM: Many meat cuts are under 250 calories for a 3 1/2-ounce serving. A variety of cuts of beef, pork, lamb and veal provide satisfying portions at economical energy intakes. The sirloin steak provides only 208 calories and the pork loin 227. Leg of lamb is especially low at 195 calories per serving. All are high in protein.

Senior citizens office opens

An Open House at the new offices of the Los Angeles County Department of Senior Citizens Affairs, Monday, August 10, will be highlighted by ribbon-cutting ceremonies at 11:30 a.m. led by County Supervisor Chairman Ernest E. Debs.

All senior citizens and their friends are invited to tour the department's

new quarters at 601 S. Kingsley from 11 a.m. to 3 p.m., Debs said, to find out more about services available for senior citizens.

The Open House ceremonies will also mark 15th anniversary of the Department which was the first local government agency in the nation to deal exclusively with the affairs of older persons.

Some of the programs pioneered and operated

by the department include Reduced Bus Fares for seniors, pre-retirement classes, senior citizen camps, committees on aging, and information and Referral offices for seniors.

The information and referral offices offer information and counseling to seniors and help them find the proper agencies to handle problems in areas such as housing, financial, health care, and isolation.

Golden Girls

MONTECLAIR -- Minute Space and Sizzler Steak were the winners in the Montclair Golden Girls Softball League. Minute Space won the majors division title outright by winning both halves while Sizzler Steak needed an 18-7 play-off victory over Mt. Fuji for the minors crown.

Sizzler was sparked by first baseman Margie Pittman's eight home runs with shortstop Kelly Robertson contributing four homers. Kathy Ziebarth and Sabrina Martin handled the pitching.

All-Star teams from both divisions are currently involved in post-season tournaments.

Head Start budget okayed

SAN BERNARDINO - A \$1,674,963 budget for the county's 1970-71 Head Start Program was authorized by the board of supervisors recently.

Delayed one week because of last minute internal disagreements among Dependency Prevention Commission members, the budget is slightly lower than the original \$1.7 million prepared by the DPC.

Robert McBay, director of the DPC, said the program would involve 76 classes with 15 children in each class. "The program is geared to the areas of need in the county," he said. "The budget and annual report of Head Start have gone through the DPC, and everything is in order," he said.

The program, financed by state and federal funds, is run by the separate school districts and other agencies of the county, with the DPC in the role of grantee and sponsor. One school district, Fontana, has withdrawn from the program for the coming year, and will operate independently of the DPC.

McBay said by doing this, the county-wide budget would be chopped about \$54,000, which will go to Fontana from state funds. He said Fontana will lose a substantial amount of federal funds by not participating in the DPC - sponsored program.

Federal funds, amounting to over \$1 million of the county's financing, come from the Department of Health, Education and Welfare, (HEW) and the state funds are provided under the conditions of Assembly Bill 1331. State funds for the county's Head Start program amount to \$594,037.

McBay said the Head Start budget was more than half of the entire DPC annual budget.

"Head Start is for the disadvantaged child from three-and-a-half to four-and-a-half years old. The program will operate only in the areas of need within the county," he indicated there was no County Head Start program scheduled for the Upland area, and Ontario would again operate independently as it has "for three or four years."

(Ontario and Upland receive Head Start funds directly from the state.)

Club doings

WE Demo Club

The West End Women's Democratic Club held its monthly meeting July 22 at the Upland Public Library.

New officers were installed by county Supervisor Nancy Smith, candidate for the Senate on the Democratic ticket, were:

Mrs. Robert Cologgi, president; Miss Hery Petersom, 1st Vice president; Mrs. A. F. Hayes, 2nd Vice President; Mrs. Cathrine Worrall, Recording Secretary; Mrs. Stanley Kovalski, Corresponding Secretary; Mrs. Hazel Edwards, Treasurer; and Mrs. S. J. Buttvolva, Publicity.

The West End Democratic club will hold its August meeting at its headquarters, 458 N. Euclid Ave., Upland, on Aug. 10, at 7:30 p.m. All Democrats and friends are invited to attend.

Chester Wright, democratic candidate for Congress in the 33rd district will be guest speaker. He will report on his campaign and his recent trip to Washington, D.C.

Lots of wine drinking

CUCAMONGA -- California wine shipments totaled 78.6 million gallons for the first five months of this year, presaging a fifth straight record sales year for the California wine industry, now in its third century.

The figure represented an 11.9 per cent increase over the 70.2 million gallons shipped during the same period last year. Table wines showed the largest gallonage increase from January through May -- 42.8 million gallons -- a 25.4 percentage increase over the similar period last year.

Sparkling wines rose phenomenally, 90.7 per cent -- 5 million gallons for the period this year as opposed to 2.6 million gallons during the same time in 1969.

Shipments of dessert wine were 30.8 million gallons during the first five months of this year, compared to 33.4 million gallons for the first five months of last year.

Shipment of all California wines in May of this year totaled 14.7 million gallons, an increase of 2.6 per cent over the 14.3 million gallons in May last year. Sparkling wine shipments

totalled almost 950,000 gallons, a 57.6 percentage increase. May dessert wine shipments were 6.1 million gallons. Table wine shipments for the month, 7.6 million gallons, were up 11.7 per cent.

Flying forbidden

LOS ANGELES -- All pilots are requested to avoid flying over, or in the vicinity of, San Bernardino Valley College, 701 Mt. Vernon, San Bernardino, during the annual California Inland Shakespeare Festival, July 30 through Aug. 15, between the period of 8:30 p.m. to 11 p.m.

"We encourage and recommend that pilots avoid flying over the area to keep from interfering with the enjoyment of thousands of persons who attend the Festival," said Arvin O. Basnight, Director of the FAA's nine-state Western Region who made the appeal.

"This program is being developed as a community event, but the college students are taking funds from their student body account to make this cultural contribution to their community. Many man-hours have been expended to assure the success of this event by students, as well as staff and faculty," Basnight said.

"The aviation community has cooperated in this effort in the past, and continued cooperation will assure maximum enjoyment of the pageant this year."

Inasmuch as the Festival will again be held in an open-air theater, we

urge all pilots to avoid this area during July 30 through August 15.

Teen dance

CLAREMONT - The El Roble School Swimming Pool will be the site of the next J-Teen Dance sponsored by the Clare-

mont Parks and Recreation Department. Scheduled for Saturday Night Aug. 8, the Dance and Swim Party will feature live music by the "Rainbow Creek," Refreshments, and open swimming by all of those who attend.

New recruiter

Staff Sergeant Philip T. Patton, son of Mrs. Rosalene Patton, a longtime resident of Pomona, has been assigned to the U.S. Army Recruiting Station, 10665 Mills Ave., Montclair.

Patton, who attended Garey High School, joined the Army in October 1963 through the local recruiting station.

He went through 16 weeks of training at Fort Ord, California prior to being assigned to the 2nd Bn, 19th Infantry in Augsburg, Germany as an Armor Intelligence Specialist in April 1964.

In June 1965, SSG Patton won a position on the Battalion Rifle team and in August 1965 was selected for the U.S. Army's Prix Le Clerc rifle team in Munich, Germany. He competed against teams from several allied countries while on the team.

In June 1966, SSG Patton was assigned to Fort Benjamin Harrison, Indiana where he trained for the position of Postal Operation Specialist. After completing the course he was assigned to the 11th Armored Cavalry Regiment as a postal coordinator for the Xuan Loc area in the Republic of South Vietnam.

In November 1967, Patton returned to the United States and was asked to consider joining the recruiting staff in the Los Angeles area. Upon completion of the Army Recruiting and Career Counseling school he was assigned to the Inglewood recruiting station, where he has served until selected for his present assignment in Montclair.

Beth Bryan

Camper to speak at WCTU

Miss Beth Bryan, recipient of a campership from the La Verne Woman's Christian Temperance Union to the Loyal Temperance Legion Camp at Maranatha, Idyllwild, in July, will report on her experience at the Aug. 11 meeting of the WCTU.

The meeting will be held at 2 p.m. at the Hillcrest Brethren Chapel. Miss Anetta Mow will install new officers for the 1970-71 year at the meeting. Miss Levi (Edna) Shively will lead the devotions.

Miss Bryan, daughter of Mr. and Mrs. E. L. Bryan, who recently moved from Pomona to Westminster, will also render an accordion solo.

Poetry Corner

Through the Looking Glass

BY Jeanne Sapp
Diamond Bar

It isn't very often that we find our Shangri-La, but each of us, in our own way is searching all the time...for that little piece of heaven that makes our lives sublime. Are we looking in the proper place? Do we see the proper picture? Will life, as we are living it, become fuller and that much richer? It's up to each and everyone, to find their place in the sun... And I can only hope that your place is a happy one.

If it isn't to your liking, you'd best stop and take a look, for Life is what you make it, and reads just like a book. So why not re-read a chapter or two, and read between the lines. You've got nothing to lose, but that precious commodity...TIME!

Pomona First Federal announces winners

Over 15,000 guests attended Pomona First Federal's 200 Million Dollar Party which was observed during the last 2 days of June and first ten days of July to celebrate PFF's reaching that figure in assets. Pomona First Federal is the largest savings and loan or bank with headquarters in Eastern Los Angeles County, and all of San Bernardino and Riverside Counties.

Winners of drawings for television sets are: Head Office, Robert V. Perez and Hazel Davis, both of Pomona; from the Downtown office, J. M. Knight of Pomona; Upland office, Agnes A. Herd of Ontario; Indian Hill office, Louis Williams Jr. of Montclair; Chino office, Cecil Brindamour of Chino; San Dimas office, Mrs. Alice E. King of San Dimas; Claremont office, Eugene T. Bryant of Upland; Rowland Heights office, Sandra L. Zuver of La Mirada.

Additionally, 200 lucky winners found "buried treasure" in the form of silver dollars hidden in bags of gold foil-covered coin candies. Some of the

silver dollars were 90 years old.

Refreshments were served and American flag lapel pins were given. Bronze key ring medallions were distributed with the front side depicting Neil Armstrong's walk on the moon July 20, 1969. The reverse side carries a personalized identification number and a statement of postage paid for finder of the keys. If lost keys are returned to PFF they will be forwarded to the owner. These handsome key ring medallions are still available at all offices at no obligation or charge.

Association President Paul D. Walker stated that the 200 Celebration was a huge success with over 800 new savings accounts opened and a \$2 million net increase in savings.

Walker added that ample funds are available at PFF for real estate, mobile home, and property improvement loans. These funds are made possible through the continued confidence of the are people served by Pomona First Federal.

Bachelor degree

MONTCLAIR - Kathleen Susan Lemaster of 9606 Central Avenue, received her bachelor of arts degree at the close of the spring quarter from the University of California at Santa Barbara.

She was one of eight Inland Empire residents to earn their degrees from that campus this spring.

ITEM: Correct installation of an automatic washer or dryer is important to the operation of the appliance. A dryer, gas or electric, must be connected to exhaust ducts leading outside. For electrical safety, all major appliances should be grounded, either by a separate wire or with a three-prong plug and outlet.

Readers' forum

Dear Editor,

I want to extend to you my personal thanks for the fine support you gave us in our recent election. The backing and coverage in the Tribune was consistently excellent and contributed greatly, I'm sure, to the relatively good results in the Montclair precincts. We're delighted with the tax victory; I think it was

a significant achievement for these troubled times. As for the bonds, I'm sure we'll be back and will look forward to working with you again.

Again, thank you for your enthusiasm and support on behalf of the children of this district.

Sincerely,
George A. Duerr

Faith Lutheran Church setting for wedding

SAN DIMAS -- Suzanne Clare Johnson, daughter of Mr. and Mrs. Edwin Johnson of 634 E. Juanita Avenue, San Dimas, became the bride of Michael William Lee of Compton in rites performed in the Faith Lutheran Church of San Dimas. The Rev. Ray F. Kibler officiated. The bridegroom is the son of Mr. and Mrs. James Lee of Compton.

The bride, given in marriage by her parents, selected a formal gown of white silk organza over crepe, appliqued with lace spring flowers and rhinestones. The dress was fashioned with a portrait neckline and Camelot sleeves.

A cluster of matching lace flowers held her elbow length veil and she carried a nosegay of fresh spring daisies on a white Bible.

Maid of honor was Miss Linda Johnson, sister of the bride, Miss Jeanette Johnson was bridesmaid.

James Lee Jr., brother of the bridegroom, was best man. Ushers were Larry Cuddeback and Edwin A. Johnson Jr.

A reception at the

Mrs. Michael Lee

church followed the wedding. Following a trip to San Francisco and Yosemite, the couple will reside in Lakewood.

Mr. and Mrs. Alan Briggs

Wedding solemnized at Holy Name Church

SAN DIMAS -- Jane E. Bastian, daughter of James R. Bastian of 540 E. Allen, San Dimas, and Alan R. Briggs, son of Frank S. Briggs of 216 Payson, San Dimas, were united in marriage on July 4 in double ring rites performed at the Holy Name of Mary Church. The Rev. Father Kengen officiated. Maid of honor for the occasion was Judy Kendrick and bridesmaids were Nancy Conro, Sharon Swapp, Madelena Torrez, and Jeanette Bello. Ring bearer was William Kendrick Jr. and flower girls were Michelle Briggs, Debra Kendrick and Angela Conro.

Frank S. Briggs, Jr. served as best man and ushers were Dwight Bastian, George Conro, Bradley Bastian, William Kendrick.

A reception followed the ceremony at the home of the bride, Donna Bastian circulated the guest book while Carol Montague, Laurie and Gail Bastian were in charge of refreshments.

The bride is a 1968 graduate of Bonita High School and is a stenographer at Cal Poly.

The bridegroom is a graduate of Mt. SAC and will be attending Cal Poly during the next fall quarter.

NOTICE INVITING BIDS
FOR CASH CONTRACT
NO. 52185

SAN DIMAS CANYON ROAD
Notice is hereby given that sealed bids will be received by the Board of Supervisors of the County of Los Angeles, in Room 383 of the Hall of Administration, Los Angeles, California, until 9:00 o'clock A.M. on August 25, 1970, on which date they will be publicly opened and read, for the construction of cement concrete retaining walls and slope paving, granite concrete, asphalt concrete pavement, grouted rip rap, together with embankment, grading, shaping, preparation of subgrade, removal of existing improvements and other incidental and appurtenant work, estimated to cost less than \$37,000.00, all in accordance with the provisions of the Plans and Specifications and Instructions to Bidders therefore which are filed in Room 383.

Proposals must be submitted on forms prepared and furnished for the purpose, which may be obtained at Room 180 of the Los Angeles County Road Department Administration Building, 1540 Alcazar Street, (formerly Henry Street) Los Angeles, at which office bidders may also purchase copies of the Plans and Specifications for the contemplated work for the price of \$5.00 plus 25 cents State Sales Tax per set, not refundable. A mail address and a phone number must be left at the aforementioned office which the prospective bidder agrees is sufficient to reach him.

Each submitted proposal must be accompanied by a certified or cashier's check, or a surety bond, payable to the County of Los Angeles in an amount equivalent to at least ten (10) percent of the total aggregate bid price of such proposal, as a guaranty that the bidder, if his proposal be accepted, will enter into and execute the awarded contract, and furnish the required bonds in connection therewith, in accordance with the terms of the aforementioned Specifications and Instructions to Bidders. In the event that a surety bond is submitted in lieu of a check, it shall be subject to the condition that the surety thereon be approved by the County Auditor and County Counsel.

The Board of Supervisors reserves the right to reject any or all bids, and to waive technical errors and discrepancies, if it so deems to best serve the interests of the County.

Pursuant to the provisions of Sections 1770 to 1777, inclusive, of the Labor Code of the State of California, the Board of Supervisors has ascertained the general prevailing rate of per diem wages for each craft or type of workman needed to execute the proposed contract, and it will be required that not less than said rates be paid to all such workmen employed or engaged on the work. Complete wage rate schedules, as amended February 18, 1970, are on file at the offices of the Board of Supervisors and the County Road Department and are included in the contract specifications available at the Road Department.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the proposed contract, shall be commensurate and in accord with the rates specified for similar or comparable classifications or for those performing similar or comparable duties.

SPECIAL INSTRUCTIONS TO BIDDERS: Bidders must satisfy themselves by personal examination of location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work, and shall not at any time after submission of the bid dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

By order of the Board of Supervisors of the County of Los Angeles, State of California.

"I REMEMBER"
 BY THE OLD TIMER
 From Mrs. Corbis Lochala, Crossett, Arkansas: I remember when plow blades hung from a tree limb were used to call the field hands to dinner, by beating on them with a stick or a club. I remember that the only cigarettes smoked by teenagers was "rabbit backer", gathered from weeds. The only powder

puffs were those pa made from mole skins. Ma made quilt linings and used red clay or poke berries to dye them.

I can remember that ma scrubbed all her dishes with white sand and that pa kept our shoes in repair in his own workshop. The neighbors came from far and near to sharpen their plows in pa's workshop.

I remember that we went down to the creek in the woods and caught barrels of mud cat.

Road bids open

DIAMOND BAR - The County Board of Supervisors will open bids at 9 a.m. Tuesday for the improvement of Grand Avenue between Golden Springs Drive and Diamond Bar Boulevard in Diamond Bar.

The 3/4-mile section of Grand Avenue, a master plan highway, will be improved by construction on the south roadway of asphaltic-concrete pavement to join improvements made by the developer of adjacent property, and capping the existing pavement on the north side of the divided street.

During work, set for completion in October, two lanes for through traffic will be maintained on Grand Avenue.

YMCA caravan to northern Calif. planned

The Diamond Bar-Walnut Branch of the YMCA is in the process of organizing a San Francisco caravan trip to the San Francisco area for August 22 through 28.

Purpose of the trip is to acquaint a group of approximately 30 young adults, 15 years and older, with the ghetto area in the northern city.

The group will have the opportunity to participate in street camps conducted by the Mission District YMCA for children living in the ghetto.

The YMCA representative stated that any young adults interested in this serious interpersonal relationship experience should register soon.

Registration is being taken at the Pomona Valley YMCA, 350 N. Garey in Pomona by calling 623-6433 and at the Diamond Bar-Walnut Branch, 400 S. Brea Canyon Road, Diamond Bar, 955-7485.

The group will spend three days and four nights in San Francisco. Time there will be spent equally between working in the ghetto and touring the city.

The YMCA caravan plans to travel up the California coast through Big Sur and stay two days and one night at Monterey.

Cofer seeks council seat

WALNUT -- Maurice Cofer, a parks and recreation commissioner and the commission's first chairman, has announced he will seek the vacant city council seat in the special municipal election in November.

At a special meeting last week, the council adopted resolutions calling for the election and consolidating it with the November general election. The vacancy was created recently with the resignation of William O. Daley when he moved out of state.

Cofer said that petitions containing 134 signatures supporting him had been collected in less than 24 hours and declared that other petitions had not been turned in.

Cofer lost the April council election by only four votes and said he is running because he is the only one off dead center. "I represent the people; I have no special interests. I will represent the whole community, pure and simple," he said.

City Manager A.C. Lazaretto said after the council meeting that candidates would have from Aug. 21 to Sept. 10 to file for the office, but he further noted that Sacramento urgency legislation could make the filing period Aug. 6 to 27 if passed. The recent mix-up in Los Angeles in which voters didn't receive their sample ballots has prompted the legislative measure.

Residential gas station

ROWLAND HEIGHTS--The Association of Rowland Homeowners will protest a recent zone exception permitting a gas station at the corner of Fullerton Road and Mesal Street for J. D. Caswell.

The area residents had battled the exception for more than four years beginning in 1966 when a deed restriction prevented the development, which was lifted last year by efforts of James O. Hamilton, spokesman for the applicants.

The matter will now be taken to court in an effort to reverse the board's decision. However, when the exception was granted upon motion of Supervisor Frank G. Bonelli, 11 additional conditions were added which may be strict enough to prevent the station from ever being built.

Pete Sowa, president of the homeowners' group will consult with the lawyers for interpretations on the restrictions, two of which prevent sale of anything other than petroleum products and vending machine items and prohibit repair work other than motor tune-ups. These might possibly hamper any profits from the business.

Sowa outlined three possible ways to approach the problem: Discover whether the conditions are strict enough to stop the development; secure an injunction to prevent start of construction; or push for adherence to the residential restrictions on the property.

"If the zone exception goes through, we're afraid that then they'll use the same arguments and we'd be facing spot zoning right up Fullerton Road," said Sowa. "Commercial development would exist up to Fifth Avenue and that would change the entire character of this neighborhood."

FIGURE AUTHORITY INTERNATIONAL TELLS ABOUT REDUCING

by Miss Pat Walker
Internationally Recognized
Reducing Authority

I am often asked if I enjoy my career as the International Reducing Authority.

I like my work because it is so interesting and challenging. It's challenging because all women have different problems. And each woman thinks her problems are the ones that no one can help.

This is because the average woman has tried so many methods of reducing and gone on so many different types of diets only to find she still had her figure problems.

Many women reach the point of thinking that there's nothing else that can be done for them.

Regain Youthful Figure Without Rigid Diet

"Under a rigid diet program women will lose weight," says Miss Walker. "but they won't lose it in all the places they should."

"Perhaps the waistline may shrink from hunger but the bulging hips, large thighs, thick ankles and sway back remain after dieting."

"Under our system we accept each individual as a separate figure problem. We chart the course necessary and go to work."

You can imagine how gratifying it is to hear a woman in one of our salons say "thank you," meaning thank you for showing me the way to a new figure and in many cases, a new way of life.

Over the years we have been responsible for remaking over 5 million women's figures. Actually, there's no guesswork to reducing today. Any woman can buy her figure just as she would buy clothes, cosmetics, or anything else. The only difference is that it is a service and unfortunately it cannot be mailed to her.

We pride ourselves in making reducing perfectly painless. We do this by giving wonderful service in pleasant surroundings without disrobing and in complete privacy.

Many people have asked me if the figure problems in Southern California are different from anywhere else. The answer is no. Women are women, no matter where they are from. But each individual case is different and has to be treated as such. But with our program the end product is the perfect figure.

So many women think that they have to starve or experience painful or strenuous exercise to reduce. Imagine how happy they are when they find that this is not true because relaxation is a part of our program.

We have women of all ages who are reducing with us. Also, children, it's a smart mother

Miss Pat Walker, the Reducing Authority International, talks to many women of every age, walk of life, and nationality, and each woman thinks her figure problems are so very different from another woman's that it will work for that other woman but not for her. Miss Walker invites any woman to come for a personal consultation, by appointment.

who recognizes figure problems with her child at an early age and who comes to us to take care of them. For the convenience of women who work or have baby-sitting problems we remain open in the evenings until 9 o'clock. All one has to do is to pick up the phone and make an appointment for a courtesy treatment and Photometric figure analysis. We offer it without obligation. From the analysis we determine where you need to lose, how long it will take and the exact cost of your correction. From there it is up to you to make the decision of whether you want to continue to struggle the lonely and frustrating battle of reducing or turn over your problems to us and let it be our responsibility.

Ontario Woman Loses 61 Lbs., 76 Inches Has Perfect Figure for Summer!

Mrs. Rhodes, a nurse, weighed 215½ pounds. She reduced 61 pounds and 76 inches. Mrs. Rhodes wrote, "I finally decided that since my children are now married that if ever I was going to live in a "slim" life I'd better get at it. . . all these years I had wanted to be a tiny petite instead of a size 52 and now that I've reduced so much I can even dream of being a size 9. . . I can see it in my Pat Walker Crystal Ball."

Mrs. Rhodes, in the photo with Pat Walker, is now a size 14 instead of a size 52. Mrs. Rhodes wrote, "The most pleasant way to reduce which could be dreamed of is what I found at the Pat Walker Salon . . . the new Photometric accurately measures those "inches off" but I really don't need to be shown the results because it is such fun to not be recognized by an old acquaintance and have to tell them who you are."

A SPECIAL REDUCING OFFER SO THAT YOU CAN ENJOY A NEW SLIM FIGURE THIS SUMMER!

FREE Trial Treatment and Figure Analysis

You are invited to come in or call for a courtesy treatment and photometric figure analysis without obligation and from the analysis we will tell you where you are going to lose, how long it will take and based upon \$2 per treatment we will tell you exactly how many treatments you need and the exact cost of your figure correction. We will give you \$20.00, this week only, to be applied on your personalized Pat Walker figure correction program.

With Pat Walker's new computerized program you can reduce quickly, easily and effortlessly without rigid diet or strenuous exercise, without disrobing and in complete privacy. You will lose where you need to lose and you'll enjoy doing it. You have nothing to lose but pounds and inches with Pat Walker's Figure Perfection Program.

For a FREE trial treatment and figure analysis without obligation, come in or phone to reserve your appointment. Hours are 8 A.M. to 9 P.M. Monday through Friday; Saturdays, 9 A.M. to 2 P.M.

HELP WANTED

NOTICE: Many listings in the
"male" or "female" col-
umns are not intended to ex-
clude or discharge applica-
tion from persons of the other
sex. Such listings are for
the convenience of readers
because some occupations are
considered more attractive to
persons of one sex than the
other. Discrimination in em-
ployment because of sex is
prohibited by 1964 Federal
Civil Rights Act with certain
exceptions (and by the law
of California). Employment
agencies and employers cov-
ered by the Act must indi-
cate in their advertisement,
whether or not the listed po-
sitions are available to both
sexes.

Receives honor

DIAMOND BAR -- Mrs. Mary Anne Summers has been honored by the East San Gabriel Valley Division of the L. A. County Heart Association for her volunteer service to the organization during the past year.

Cited for her continued dedicated service in the 1970 Heart Sunday fund-raising campaign as Diamond Bar community chairman, she was recog-

nized at the local dinner meeting at DB Country Club.

Cabinet officers for 1970-71 were also installed: Dr. Lawrence Marinelli of Claremont as chairman; Dr. Joseph V. Schetgen, Claremont, and Richard T. Moore, administrator of Casa Colina Hospital, vice-chairmen; Mrs. Mary Jean Graham, secretary; and Richard Miale, treasurer.

Navy says no delay

The Navy has announced that no longer will young men have to wait to be enlisted in the Navy. The Navy is now accepting applications for immediate processing and active duty.

Young men who are desirous of completing their military obligation early can now do so. The young man planning his future owes it to himself to investigate the opportunities offered by the Navy.

If you have put off enlisting in the Navy be-

cause of the long waiting list, see your Navy recruiter at 10665 South Mills Avenue, Montclair, California, or call 621-4213.

Life saving course

The Pomona Valley YMCA will offer a junior and senior lifesaving course beginning on Tuesday, August 13, 1970 and ending on September 11, 1970. The class will meet on Tuesday and Thursday evenings from 7:45 to 9:45.

Successful participants

will be certified by both the YMCA and the Red Cross as lifesavers. Age requirements are 11 through 14 years for the junior certification and 15 and older for the senior certification.

Instructor for the class. Fees for the class are \$5.00 for Pomona Valley YMCA members and \$10.00 for non-members. Registration can take place at the "Y" which is located at 350 North Garey Avenue in Pomona. For further information please call John Eikrem, Physical Director. The phone number is 623-6433.

Niestadt Day

Thursday, July 30, was proclaimed Ulrike Niestadt Day in honor of the young woman from Germany who has been staying with the family of Sam DiGiovanni while attending Montclair High School for the past year as an exchange student from Germany. Ulrike was given the proclamation by Mayor Harold Hayes at last Thursday's Kiwanis luncheon. The Kiwanis were responsible for seeing that the exchange student came to Montclair and finding a home for her while she attended school.

Congratulations

Mrs. Karl H. Patz receives award and congratulations from Brook Powell, outgoing chairman of cabinet of East San Gabriel Valley Division of L.S. County Heart Association. Mrs. Patz was community chairman for San Dimas on Heart Sunday, in which door-to-door solicitation doubled income of last year.

Good enough to eat

Linda Addison's entry into the 4-H cake baking contest at the 1976 San Bernardino County Fair in Victorville, Aug. 26-30, receives the finishing touches. Linda, 15, is a prize-winning homemaker and a member of the Monte Vista 4-H Club.

Club doings

Toastmasters

The July 23rd meeting of the Downtown Pomona Toastmasters Club 110 was presided over this week by its new President, Ralph Anderson.

This was Mr. Anderson's first week of service as the Club's newly elected President.

The club's other new officers are John Crocker, educational vice president; Billy K. O'Connor, administrative vice president; Allen Smith, treasurer; and

Fred Naeorp, sergeant at arms.

These officers were officially installed at a dinner meeting held at the Castaways Restaurant two weeks ago.

Speeches were given by Bill Gelling, Nello Giovner and Jim Hudak. The trophy for best speech of the evening was awarded to Mr. Gelling.

The club meetings are held every first and third Thursday at the Fifth Avenue Hall House in Pomona at 6:30. Visitors are welcome to attend all meetings.

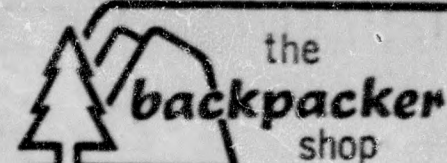

YMCA camp

The Pomona Valley YMCA will be sponsoring a family camp weekend, September 5 and 6 and 7 at Camp Mozdumay situated 7,200 feet in the mountains overlooking the Antelope valley near Crestline, California.

The camp will begin the afternoon on the 5th and continue thru the afternoon of the 7th.

The Pomona Valley YMCA will have a staff of three to four to help organize recreational activities, lead campfires and chapel services. A \$5 deposit will hold a place.

For further information please contact the Pomona Valley YMCA at 623-6433.
